CLERK: LB 607 introduced by the Appropriations Committee and signed by the members thereof. Read title. Mr. President, motion on the desk.

SPEAKER: Read the motion.

CLERK: I move that the Rules be suspended, it would be Rule 3, section 5, I believe, and place Request #...let me redo this, Mr. President.

SENATOR MARVEL: What is the number, 607?

CLERK: Mr. President, the motion is that I move Section 5 of Rule 3 be suspended and place LB 607 on General File without a public hearing.

SENATOR MARVEL: So move.

SPEAKER: Motion is to suspend the Rules to place LB 607 on General File without a Committee hearing? Please vote. It requires 30 votes. Please vote. Savage voting aye. Record.

CLERK: 32 ayes, 0 nays, 17 not voting.

SPEAKER: The Rules are suspended and LB 607 is placed on General File. Senator Marvel.

CLERK: Senator Wiltse asked to be excused Friday afternoon.

SPEAKER: No objections. So ordered.

CLERK: Mr. President, I believe we are ready for General File at this time.

SPEAKER: We return to General File.

CLERK: LB 235A introduced by Wm. H. Hasebroock, Chairman of the Retirement Systems Committee. Read title.

SPEAKER: Senator Hasebroock.

SENATOR HASEBROOCK: Mr. President and members of the Legislature, LB 235A is the A bill that follows the Patrol Retirement bill and it states the amount of fiscal impact which is \$154,600 and this bill would then follow 235 until it gets to Final Reading and then you can make your evaluation at that time on the bill. I move that LB 235A be advanced to E & R Initial.

SPEAKER: Ok. Senator Duis.

SENATOR DUIS: Mr. President, I would support the move to move this legislative bill over. I think one of the finest retirement systems we have in the state is that of the Highway Patrol.

SPEAKER: Senator Dworak.

SENATOR DWORAK: Mr. President, Senators, I just want to point out that when I asked the question last week, the fiscal impact of LB 235, the question I got from the Committee members, well, they didn't think that it...or I think, Senator Lewis, that he didn't think it could be
